

FILOSA BRICKS COLORS AND MATERIALS

The BRICKS modular furniture system by FILOSA offers new ways of designing an interior spaces. With the use of a simple cube as the basic element and almost endless possibilities for both in terms of combinations, colors and material finishes.

STANDARD COLORS

Underneath you can see our wide selection of standard colors for the Bricks steel frame and other steel parts. Other RAL-colors are available by request.

UPHOLSTERY

For upholsteries select your favourite fabric and we will supply you the Bricks accordingly.

STANDARD LAMINATES

We have picked up following laminates from Formica laminates as standard colors. Other colors and laminate collections can be used by request. Edges of the laminated parts can be visible veneer edge or ABS-edge.

STANDARD VENEERS

Here are our standard veneers, although we can always use other veneers and any stain color by your request.
